

TRAVERSE 2020

CHEVROLET

Traverse High Country in Iridescent
Pearl Tricoat (extra-cost color).

BEAUTIFULLY USEFUL.

Traverse proves great looks and impressive functionality can exist in one midsize SUV. This story begins with a richly refined interior and a stunning exterior, plus a choice of seating for seven or eight¹ and 98.2 cubic feet of cargo space.² There's also the capability of Traction Mode Select and available switchable all-wheel drive. Add in available advanced safety technologies and exceptional connectivity and convenience features, and Traverse helps you handle life with added confidence.

FIND NEW ROADS™

¹ High Country shown seats seven. ² With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution.

MODELS

LS

With loads of standard features, Traverse LS provides everything a growing family needs.

Premium Cloth seating for eight and tri-zone climate controls — not to mention 10 cup holders — provide comfort as you travel. A 3.6L V6 engine and Traction Mode Select elevate the performance. And you'll stay connected along the way with available built-in 4G LTE Wi-Fi¹ for up to seven devices.

LT

Take a step forward in style and comfort with LT.

A chrome-accented grille with chrome inserts, body-color outside mirrors and 18-inch aluminum wheels get you noticed. Room for seven or eight passengers is available, along with a choice of cloth or optional leather-appointed front and second-row seating surfaces. LT Leather further enhances your experience with heated driver and front passenger seats, advanced safety features, a programmable power liftgate and a remote vehicle starter system.

¹ Service varies with conditions and location. Requires active service plan. Data plans offered by AT&T. Visit onstar.com for details and limitations.

MODELS

RS

The bold, sporty RS always stands out in a crowd.

RS style starts with Black Chevrolet bowtie emblems, grille, foglamp bezels, window trim and roof rails and continues with 20-inch dark-painted aluminum wheels. Inside, Jet Black leather-appointed front and second-row seating surfaces set the tone. A Bose 10-speaker sound system, navigation¹ and HD Surround Vision² are just a few of the extras you'll enjoy.

¹ Map coverage available in the United States, Puerto Rico and Canada. ² Read the vehicle Owner's Manual for important feature limitations and information.

MODELS

PREMIER

Modern and sophisticated perfectly describes Premier.

This upscale SUV features 20-inch bright machined-face aluminum wheels, a dual-outlet exhaust with rectangular tips, body-color lower moldings with chrome inserts and chrome roof rails. LED D-Optic headlamps and a hands-free power liftgate are standard. Perforated leather-appointed front and second-row seating and heated and ventilated front seats help ensure comfort in any climate.

MODELS

PREMIER WITH REDLINE EDITION

Unmistakable style designed to get a second look.

The available Redline Edition showcases signature Black and Red Traverse badging and 20-inch Gloss Black-painted aluminum wheels with Red accents. But it doesn't stop there. Black Chevrolet bowtie emblems, grille, foglamp bezels, window trim and roof rails are complemented by dark taillamps. Finishing the look is the stunning SkyScape® dual-panel sunroof.

MODELS

HIGH COUNTRY

This is nearly everything you ever wanted in your vehicle – and the best of Traverse.

A unique chrome grille and 20-inch aluminum wheels announce your arrival. The SkyScape dual-panel sunroof is framed by chrome roof rails. New for 2020, front-wheel drive is standard, or you can choose available Advanced Twin-Clutch All-Wheel Drive. A choice between an exclusive Loft Brown or Jet Black interior is yours to make. And power-folding third-row seating is standard, as are all the safety and convenience features Traverse offers.

Jet Black with Jet Black accents.

INTERIOR DESIGN

HOME BASE.

- Keyless Open and Start, tri-zone automatic climate controls, USB ports¹ in all rows, Chevrolet Infotainment 3 system² with a touch-screen display and a theft-deterrent system are all standard.
- An 8-way power driver seat is standard on LT and above; LT Leather, RS, Premier and High Country include a 6-way power front passenger seat.
- Memory settings for the driver seat, steering column and mirrors and a heated steering wheel are all included on Premier and High Country.
- Active Noise Cancellation and numerous other acoustic enhancements help make Traverse a quiet environment.

¹ Not compatible with all devices. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

INTERIOR DESIGN

DELUXE ACCOMMODATIONS.

Premier and High Country feature **perforated leather-appointed front and second-row seating surfaces** and heated and ventilated front seats, along with a heated steering wheel. Second-row outboard passengers can expect heated seats, as well.

High Country adds **sueded microfiber accents** on the instrument panel and doors.

On LT models, no matter which seating configuration you decide is right for your family, you can choose available

leather-appointed seating surfaces for the front and second rows.

Rear Seat Reminder activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you

turn off the engine, under certain conditions, you will get a reminder to double-check for valuables left behind. This feature does not detect people or items. Always check the rear seat before exiting.

A wide-angle photograph of the interior of a Chevrolet Traverse Premier. The third row of seats is folded down, creating a large, flat cargo area. The second row of seats is visible behind it, and the front seats and dashboard are in the background. The interior is finished in Medium Ash Gray with Dark Atmosphere accents. The sun is shining through the windows, creating a warm, golden light. The text "Traverse Premier interior in Medium Ash Gray with Dark Atmosphere accents and available features." is located in the top left corner.

CAPABILITY

LIVING ROOM.

- Traverse offers **98.2 cubic feet¹** of maximum cargo space when you fold the second and third rows virtually flat.
- With all the seats up, Traverse offers 23 cubic feet¹ of cargo space.
- The **Smart Slide[®]** second-row seat lets you slide and tilt forward the passenger-side seat for quick and easy access to the third row.
- On High Country, **power-folding third-row seats** go up or down with a simple touch of the buttons located in the rear cargo area.

¹ Cargo and load capacity limited by weight and distribution.

Smart Slide second-row seat. Standard with split-bench seat and captain's chairs.

Seven-passenger seating. Standard on LT, RS, Premier and High Country.

Eight-passenger seating. Standard on L and LS; available on LT.

The image shows the interior of a vehicle, focusing on the center console. A large, vertical 8-inch diagonal color touch-screen is the central feature, displaying a grid of eight icons: Audio (music note), Phone (phone handset), Nav (compass), Wi-Fi Hotspot (Wi-Fi symbol), Users (person icon), Settings (gear), Apple CarPlay (Apple logo), and Android Auto (Android robot). Below the icons is a status bar with a home button, navigation, phone, and other icons, along with a 4G LTE signal indicator, battery level, temperature (72°), and time (12:03). Below the screen is a storage compartment with a brown leather wallet inside. The dashboard and steering wheel are visible on the left, and the passenger side is on the right. The background shows a desert landscape with mountains and trees.

TECHNOLOGY

TECH FOR LIFE.

- An 8-inch diagonal color power-up/-down touch-screen, standard on LT Leather and above, includes hidden, lockable storage.
- The Chevrolet Infotainment 3 system¹ is intuitive and easy to use, with a simplified 7-inch or available 8-inch diagonal color touch-screen display.
- Available 4G LTE Wi-Fi² provides a fast and reliable connection for up to seven devices.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. ² Sitting too close to an airbag when it deploys can increase the risk of serious injury or death. Always properly wear your seat belt. A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

TECHNOLOGY

HD SURROUND VISION.¹

- With HD Surround Vision¹, you're provided with a high-resolution bird's-eye view of the area around the vehicle on the infotainment display.
- Helps you park and avoid nearby objects at low speeds.
- Standard on RS, Premier and High Country. Available on LT Leather.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. SAFETY AND DRIVER ASSISTANCE

READY AND VIGILANT.

Adaptive Cruise Control – Advanced. Using sensors that include radar technology, this feature can automatically adapt cruise control speed to maintain a following gap to vehicles detected ahead. Standard on High Country.

Front Pedestrian Braking. At speeds below 50 mph, if an imminent collision with a pedestrian directly ahead is detected, the feature can alert you and can even apply last-second emergency braking. Performance is limited at night. Standard on RS, Premier and High Country. Available on LT with Driver Confidence II Package.

Enhanced Automatic Emergency Braking. If an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Standard on High Country.

Automatic Emergency Braking. At speeds below 50 mph, if an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Standard on RS and Premier. Available on LT with Driver Confidence II Package.

Following Distance Indicator and Forward Collision Alert. These features monitor how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Standard on RS, Premier and High Country. Available on LT with Driver Confidence II Package.

Lane Keep Assist with Lane Departure Warning. At speeds above 37 mph, this feature monitors road lines and can gently turn the steering wheel to help keep the vehicle in its lane or provide an alert if a lane marker is unintentionally crossed. Standard on RS, Premier and High Country. Available on LT with Driver Confidence II Package.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror alerts when it detects fast-approaching vehicles in adjacent lanes as well as moving vehicles in the side mirror blind zones. Standard on LT Cloth AWD, LT Leather, RS, Premier and High Country. Available on LT FWD with Convenience and Driver Confidence Package.

Rear Cross Traffic Alert. This feature can alert you to detected vehicles crossing behind your Traverse when backing up. Standard on LT Cloth AWD, LT Leather, RS, Premier and High Country. Available on LT FWD with Convenience and Driver Confidence Package.

Rear Vision Camera. When traveling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Traverse. Standard on every model.

Rear Park Assist. When traveling in Reverse at low speeds, this feature can provide distance alerts when it detects certain stationary objects in close proximity behind the vehicle. Standard on LT Cloth AWD, LT Leather, RS, Premier and High Country. Available on LT FWD with Convenience and Driver Confidence Package.

IntelliBeam® headlamps. When oncoming headlamps are sensed or when taillamps are detected, this feature intuitively adjusts between low and high beams. Standard on RS, Premier and High Country. Available on LT with Driver Confidence II Package.

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

PERFORMANCE

LET'S TAKE THIS SHOW ON THE ROAD.

Delivering 310 horsepower, the **3.6L V6 engine** is paired with a 9-speed automatic transmission for effortless performance. There's also stop/start technology which, in certain conditions, allows the engine to automatically shut off when the brake is applied and the vehicle comes to a stop. When the brake is released, the engine automatically turns back on. With available factory-installed trailering equipment, you can **tow up to 5,000 lbs!**

Traction Mode Select offers up to four modes and lets you adjust performance based on road and surface conditions with the simple turn of a dial. FWD is your setting for everyday driving and the best fuel efficiency;² Off-Road (AWD models only) sends more torque to the rear wheels; 4x4 (AWD)/Snow (FWD) helps offer better control when snow and ice make road conditions slippery; and Tow/Haul (if properly

equipped) helps keep Traverse in a lower gear, offering more torque when you're pulling a trailer.

Available **switchable all-wheel drive** enhances traction and control on slippery or snow-covered roads. You can leave it on year-round, since the rear wheels only engage when the system senses reduced traction.

In FWD mode, AWD components completely disengage for greater fuel efficiency.²

High Country offers an **Advanced Twin-Clutch All-Wheel-Drive** system that helps improve driver control by independently directing torque to the wheel with the best traction in poor road conditions.

1 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² EPA-estimated MPG city/highway 18/27 (FWD), 17/25 (AWD).

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. ² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ³ OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Visit onstar.com for coverage map, details and system limitations. Availability subject to change. ⁴ Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working vehicle electrical system (including battery), cell reception and GPS signal to function properly. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.
