

# 2012 ESCAPE+HYBRID

Drive one.

## Lots of fun – not lots of fill-ups.

Already dreaming up your next road trip? Perfect. Grab the keys to your new Escape and get going. The standard 2.5L Duratec® I-4 engine gives you 28 mpg hwy.<sup>1</sup> Or you can get the best mileage of any SUV in America<sup>2</sup> – 34 mpg city on Escape Hybrid. If you're headed for roads less traveled, Intelligent 4WD is just your thing.<sup>3</sup> Imagine taking calls without picking up your phone.<sup>3</sup> Summoning songs without touching your media player.<sup>3</sup> Escape can even steer you into those tricky parallel parking spots downtown.<sup>3</sup> Seriously. This may be your best trip ever. The 2012 Ford Escape.

XLT. Toreador Red Metallic. Available equipment.

<sup>1</sup>EPA-estimated 23 city/28 hwy/25 combined mpg for Escape FWD with 2.5L I-4 and 5-speed manual; 21 city/28 hwy/23 combined mpg for Escape FWD with 2.5L I-4 and 6-speed automatic. <sup>2</sup>EPA-estimated 34 city/31 hwy/32 combined mpg for Escape Hybrid FWD. Actual mileage will vary. Excluding vehicles built for Mazda. <sup>3</sup>Available feature.

Drive one.

2012 **ESCAPE+HYBRID** [ford.com](http://ford.com)

## Conserves resources like no other SUV!

Escape Hybrid doesn't have to use any gas to operate at speeds of up to 44 mph or when it's stopped in traffic. Plus, the powertrain automatically recharges itself, so it never needs to be plugged in. The 2.5L i-VCT Atkinson-cycle I-4 engine works with the electric traction motor to create plenty of horsepower: 177 net. When passing or merging, the hybrid drive mode even gives you an extra power boost to ensure a lively performance. It doesn't get any better than the most fuel-efficient SUV in America.!

Hybrid Limited. Lime Squeeze Metallic. Available equipment.

<sup>1</sup>EPA-estimated 34 city/31 hwy/32 combined mpg for Escape Hybrid FWD. Actual mileage will vary. Excluding vehicles built for Mazda.

2012 **ESCAPE+HYBRID** [ford.com](http://ford.com)

## Steers you into the sweet spot.

That's right. First, active park assist<sup>1</sup> uses ultrasonic sensors to help you locate the perfect parallel parking spot. Then, you take your hands off the wheel and your Escape steers itself into place. You simply follow the system prompts to shift gears and control the brake and accelerator pedals. The vehicle can be parked in as little as 24 seconds. Available exclusively on Escape Limited and Hybrid Limited.

Limited. White Suede. Available equipment.

<sup>1</sup>Available feature.

2012 **ESCAPE+HYBRID** [ford.com](http://ford.com)

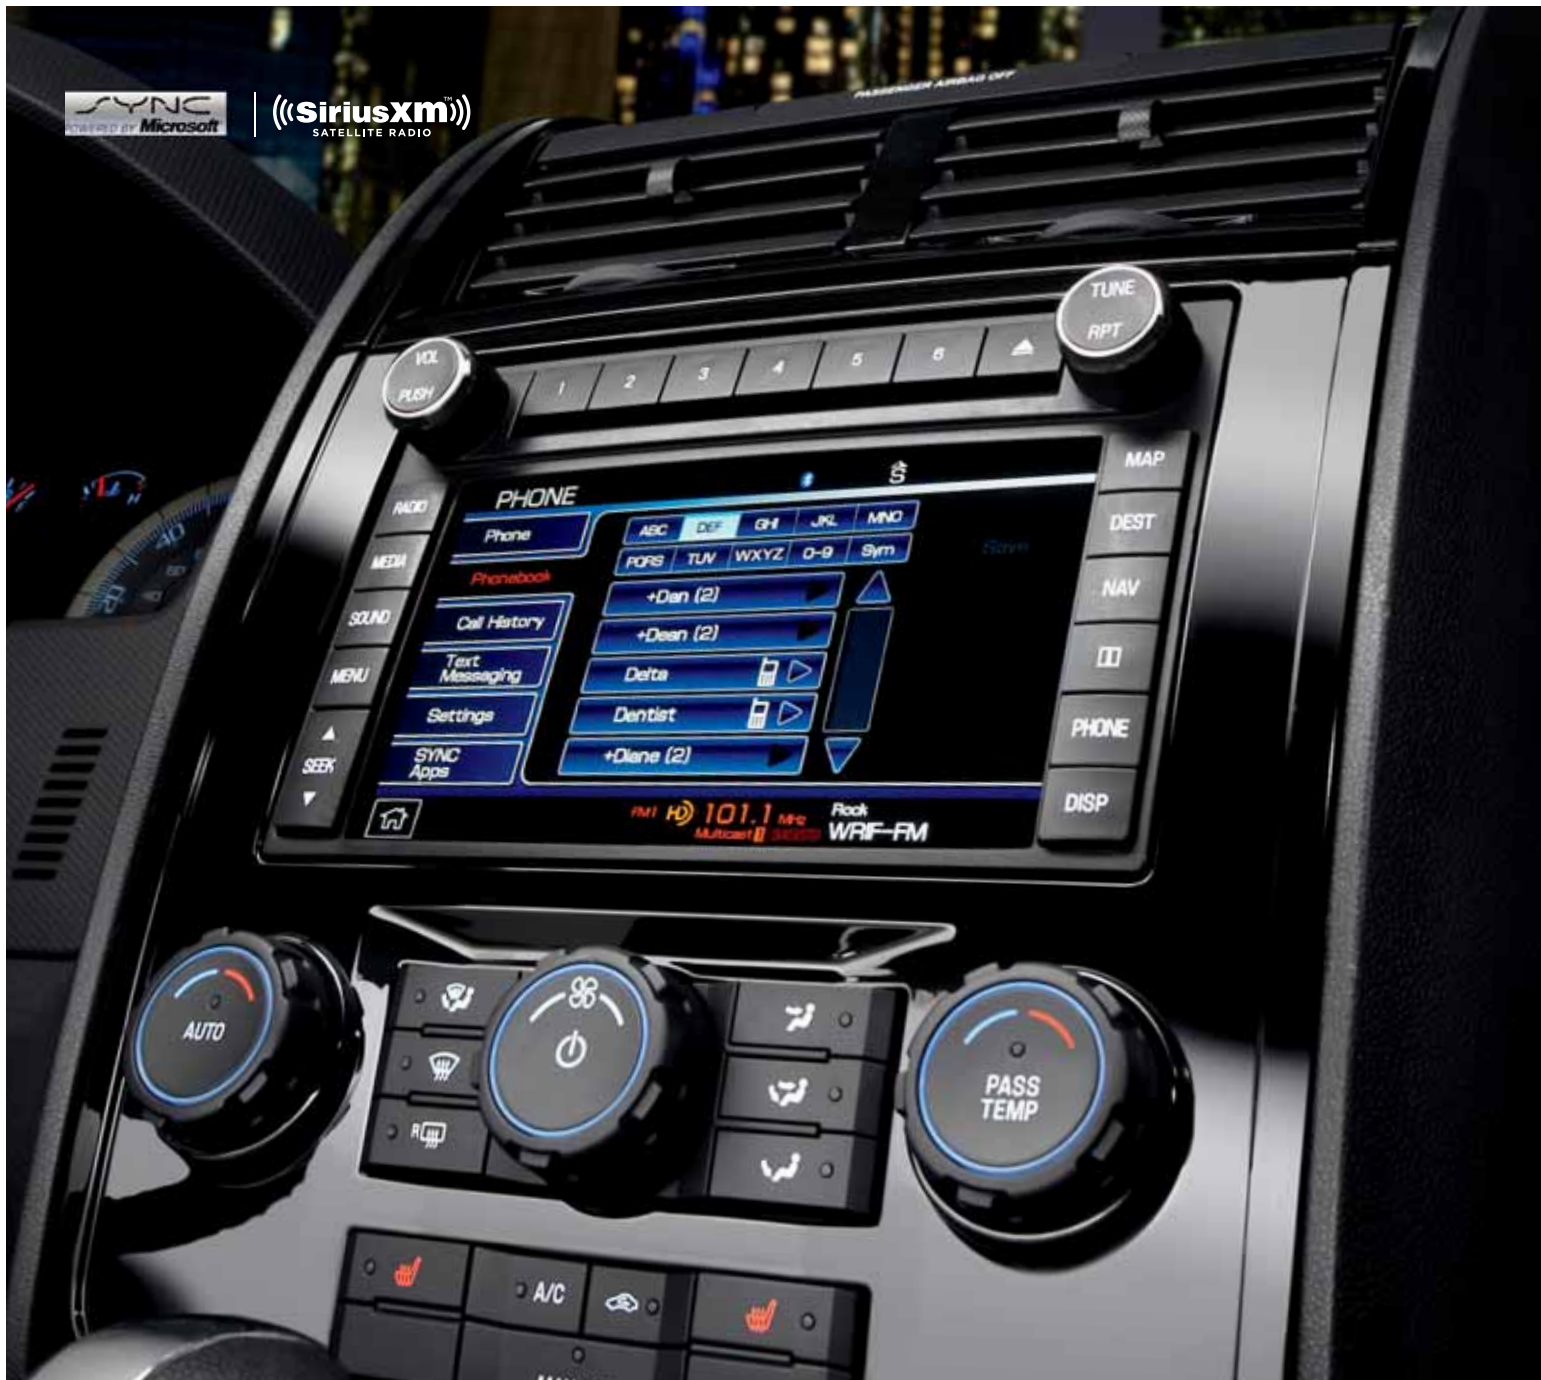

## Comforts body and mind.

Escape seats up to 5 adults in fully supportive style. Another reason to feel good in here: The seat cushions contain environmentally friendly soy-based foam that helps conserve limited resources and reduce CO<sub>2</sub> emissions. Supple leather trim (shown) with heated front seats, plus gleaming chrome and Black accents, are standard on Escape Limited and Hybrid Limited. No matter which model you choose, Escape is bound to be the perfect fit for your adventures.

### Promotes smart driving.

Our exclusive MyKey® allows you to program ignition keys with reminders to buckle up, drive at appropriate speeds, keep the audio volume low and much more. It's perfect for teaching young drivers how to behave on the road – even when you're not with them.

## Hands control the wheel. Voice controls the rest.

### Stay connected to calls, music and more with SYNC.

No more searching for your phone. No device on your ear. Connect to your world with voice-activated Ford SYNC.<sup>1</sup> Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod.<sup>®</sup> And thanks to Bluetooth<sup>®</sup> streaming audio,<sup>1</sup> smartphone users can listen to Pandora<sup>®</sup> internet radio too. Just touch a button on the steering wheel and say things like "Call Melissa," or "Play genre: Pop." SYNC also offers 911 Assist,<sup>™</sup> and with an activated SYNC Services account you get business searches,<sup>1</sup> turn-by-turn driving directions<sup>1</sup> and more. Personalize your experience at SyncMyRide.com.

### Full-color, voice-activated travel guide with SiriusXM.

The Navigation System<sup>2</sup> includes a 6-month trial subscription to SiriusXM Satellite Radio, Traffic and Travel Link<sup>3</sup> to bring you over 130 channels of unique content, plus live infotainment services. Get continuously updated traffic information, plus check local fuel prices, weather reports, movie listings, sports scores and more. This system features a vibrant 6.5" LCD touch screen with interactive maps you can zoom and scroll. Of course, it also responds to voice commands for hands-free control. Play DVDs while Escape is in Park and store nearly 10 gigs of your digital music.

Limited. Charcoal Black leather trim. Available equipment.

<sup>1</sup>Available feature. Requires compatible mobile device. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Text message and data rates may apply. <sup>2</sup>Available feature. <sup>3</sup>SiriusXM Satellite Radio, Traffic and Travel Link subscriptions sold separately or as a package after trial expires. SiriusXM Traffic and Travel Link service available in select markets. Subscriptions are governed by SiriusXM Customer Agreement; see www.siriusxm.com.

**Powers you to places others only imagine.**

**Gas engines sip and zip.**

Whether you pair it with the 5-speed manual transmission or the 6-speed automatic,<sup>1</sup> the standard 2.5L Duratec® I-4 engine delivers a remarkable 28 mpg hwy.<sup>2</sup> It also supplies a spirited 171 horsepower and 171 lb.-ft. of torque.

The 3.0L Duratec V6 engine<sup>1</sup> is flex fuel capable, so you can run it on gasoline, E85 (85% ethanol and 15% gasoline), or any blend of the two. Mated to an efficient 6-speed automatic transmission, it cranks out 240 horsepower and tows up to 3,500 lbs. when properly equipped.

**Easy Fuel keeps it clean.**

Our industry-first Easy Fuel® capless fuel filler, standard on all models, automatically seals shut when you remove the fuel nozzle. There's no messy cap to deal with or lose. You just gas up and go. It also helps reduce evaporative emissions.

**4WD maximizes grip.**

Every Escape is naturally nimble thanks to a fully independent suspension and outstanding clearance. Add our Intelligent 4WD<sup>1</sup> and let the all-terrain adventures begin. Always on and always working, it automatically monitors traction 200 times per second (much faster than any person could) and adjusts torque distribution as needed.

XLT. Ingot Silver Metallic. Available equipment.

<sup>1</sup>Available feature. <sup>2</sup>EPA-estimated 23 city/28 hwy/25 combined mpg for Escape FWD with 2.5L I-4 and 5-speed manual; 21 city/28 hwy/23 combined mpg for Escape FWD with 2.5L I-4 and 6-speed automatic.

**Drive one.**

2012 **ESCAPE+HYBRID** [ford.com](http://ford.com)

## Takes a comprehensive approach to safety.

### **Masters challenging moments.**

Our standard AdvanceTrac® with RSC® (Roll Stability Control™) uses 2 gyroscopic sensors to help keep all 4 wheels firmly planted! It automatically helps avoid skidding and fishtailing, and is particularly beneficial in inclement weather.

### **Personalizes your protection.**

The advanced Personal Safety System™ uses sensors to optimize deployment of the dual-stage front airbags in certain frontal collisions. Front-seat side airbags deploy in certain side-impact collisions. And our Safety Canopy® System increases protection with a rollover sensor and side-curtain airbags.

### **Clears up blind spots.**

Each standard sideview mirror features an integrated convex blind spot mirror that helps alert you to vehicles and objects nearby so you can avoid them.

Limited. Black. Available equipment.

### **Reminds you to buckle up.**

The Belt-Minder® system sounds a persistent alert to encourage those in front to buckle up for safety on every ride.

### **Sends an SOS for you.**

Our SOS Post-Crash Alert System™ can automatically flash the hazard lights and sound the horn after an airbag has deployed or a safety belt pretensioner has activated in certain collisions.<sup>2</sup> No subscription required.

### **Directly contacts 911.**

Ford SYNC®<sup>3</sup> with 911 Assist™ uses your phone to call 911 in the event of airbag deployment or fuel pump shutoff.<sup>4</sup> If needed, it can even give the operator an urgent message for you.

<sup>1</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. <sup>2</sup>SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. <sup>3</sup>Available feature. <sup>4</sup>The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.

Drive one.

## Lots of ways to make it yours.

Take advantage of versatile standards to make your life easier. Store your stuff out of sight. Even transport your bike inside. You can also add options to help entertain your rear-seat passengers, show off your style, warm up your vehicle from afar and so much more. Create the Escape you want, just the way you want it.

Center floor console  
Dual head restraint DVD by INVISION™<sup>1,2</sup>  
17" chrome-clad aluminum wheels<sup>1</sup>  
Power Code™ Remote Start System<sup>1</sup>  
67.2 cu. ft. of cargo space

<sup>1</sup>Available feature. <sup>2</sup>Ford Licensed Accessory.

custom  
accessories 

[fordaccessories.com](http://fordaccessories.com)

Create a more meaningful driving experience: Connect with Ford Custom Accessories for authentic personalization possibilities. The cost of select accessories – ordered and paid for at the time you buy or lease your Escape – can be rolled into your monthly payment. Warranty coverage works in your favor that way too. See your dealer for details.

# QUALITY, GREEN, SAFE AND SMART.

[ford.com](http://ford.com)

**New Vehicle Limited Warranty.** We want your Ford Escape or Escape Hybrid ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Escape Hybrid is also covered by an 8-year/100,000-mile Hybrid Limited Warranty (10-year/150,000-mile Hybrid Battery Limited Warranty in CA, CT, ME, MA, NJ, NY, RI and VT; see dealer for details). Please ask your Ford Dealer for a copy of these limited warranties. □ **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at [fordcredit.com](http://fordcredit.com). □ **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. □ **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [fordvip.com](http://fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. □ **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
