

SANTA FE

2016 HYUNDAI

2016 HYUNDAI SANTA FE

DESIGNED FOR FAMILIES THAT KNOW HOW TO ROLL.

Are your family dynamics...well, dynamic? Then you'll appreciate how we offer our award-winning Hyundai Santa Fe in three distinct configurations: The 5-passenger Santa Fe Sport, 6-passenger Santa Fe Limited and 7-passenger Santa Fe SE. There's even a choice of three fuel-efficient engines – including Santa Fe Sport's available turbocharged 265-hp powerplant that's one of the most powerful 4-cylinder engines in its class.¹ With all of these choices, there's bound to be a Santa Fe that perfectly fits your needs.

One thing every family needs? A sense of security. Which is why the Hyundai Santa Fe comes standard with an exceptional array of safety features that includes seven airbags and a host of advanced driving assist technologies. There's also the enhanced safety and car care features of our Blue Link[®] connected car system, plus a suite of Hyundai Assurance services and benefits.²

But enough about what you need. Let's talk about what you want. Just look at what's on this list of available features: A panoramic sunroof and stylish 19-inch alloy wheels. Ventilated front seats, a heated steering wheel and 2nd-row captain's chairs. Blind spot detection, rear parking assistance sensors and a hands-free smart power liftgate that opens automatically.

The 2016 Santa Fe. Isn't it time you turned your family's daily routine into a mini-vacation?

¹Midsize SUV segment. Claim based on comparison of specifications on manufacturer websites. ²Blue Link subscription service agreement required. Features vary by subscription plan. Blue Link service works using CDMA-based cellular networks in the 50 United States. Blue Link service is not available where there is no cellular coverage, particularly in enclosed or remote areas. Service availability may be affected by signal strength, foliage, weather, topographical conditions (mountains) and nearby structures (tall buildings, tunnels) and other factors. For details and system limitations, visit HyundaiBlueLink.com.

SANTA FE LIMITED Ultimate Package in Java Espresso

SANTA FE LIMITED Ultimate Package in Circuit Silver

SANTA FE

SOME FAMILIES NEED A BIGGER BASE CAMP THAN OTHERS.

Our 3-row Santa Fe SE and Santa Fe Limited are built on a longer wheelbase, giving you extra room for shuttling more passengers. And packing more gear – in more configurations – to whatever games, meets, matches or retreats are on your schedule.

The 7-passenger Santa Fe SE lets you buckle three passengers into a second row of seats. Getting to the 3rd-row seats is easy, thanks to a second row that folds and slides forward. In the luxurious Santa Fe Limited, a pair of leather-clad captain's chairs occupies the middle row for a 6-passenger maximum seating capacity.

No matter who's onboard, they'll be traveling in style. Available features like an Infinity® Logic 7® premium audio system with 12 speakers, 8-inch touchscreen navigation, dual zone automatic temperature control with a CleanAir Ionizer and hands-free smartphone integration with Bluetooth® audio streaming elevate the enjoyment factor in exhilarating new ways.

2015 Santa Fe: Best 3-Row SUV
for the Money, third year in a row

– U.S. NEWS & WORLD REPORT

PREMIUM SPACE You're here for a reason. You need the versatility to transport lots of people one moment, loads of cargo the next. Not to mention various combinations of both at the same time. That's why the second and third rows of Santa Fe SE offer the flexibility of folding, sliding and splitting to create easily accessible room.

VERSATILE SEATING In Santa Fe Limited, the 2nd-row captain's chairs create first-class seating. Trimmed in supple leather, they invite passengers to sit in spacious comfort. Generous space between the captain's chairs makes it even easier to access the third row.

PANORAMIC SUNROOF By letting the light in while keeping the elements out, an available panoramic sunroof transforms the feeling inside Santa Fe. A huge expanse of glass covers the front and rear seating areas, affording everyone inside room with a view.

ACTIVE CORNERING CONTROL AWD By transferring engine torque to the rear wheels and applying braking force to the inside rear wheel, Santa Fe's Active Cornering Control AWD delivers improved traction and greater cornering capability in turns.

SANTA FE SPORT 2.0T Ultimate Package in Sparkling Silver

SANTA FE SPORT

HOLDS FIVE. AND YOUR ATTENTION, TOO.

Don't need the 3rd-row seating? Then Santa Fe Sport might be perfect for you. Our 5-passenger version brings Santa Fe style and substance into a more intimate setting. The second row features a 40/20/40 split-bench design that slides and reclines. So you can quickly configure Santa Fe Sport to keep up with your ever-changing activities.

Speaking of quick activity, Santa Fe Sport offers the performance of an available 2.0L turbocharged engine. It uses a twin-scroll turbo to pump out 265 horsepower and 269 lb-ft of torque. Engineered to run on regular unleaded gas, its highly advanced design helps reduce emissions and optimize efficiency at low engine speeds.

Drivers enjoy a greater sense of control and satisfaction courtesy of an innovative Driver Selectable Steering Mode. Select one of three operating modes – Comfort, Normal or enhanced Sport mode – and the steering characteristics adapt to a range of driving preferences.

Santa Fe Sport can also make this powerful claim: It achieved the highest safety score – a 5-Star Overall Safety rating – from the National Highway Traffic Safety Administration in 2015.¹ Technologies like Vehicle Stability Management, Hillstart Assist and Downhill Brake Control are part of Santa Fe's standard safety engineering.

"With a nicely appointed cabin, the Santa Fe Sport is a solid all-rounder."

– CAR AND DRIVER, 2015 SANTA FE SPORT REVIEW

¹ Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (safercar.gov). ² YES Essentials is a registered trademark of Sage Automotive Interiors, Inc.

THIS IS YOUR COMFORT ZONE Santa Fe Sport's list of available features includes a tilt-and-telescopic steering wheel, 12-way power driver seat, ventilated front seats, YES Essentials[®] stain-resistant cloth seats,² and a 4.3-inch touchscreen audio display with rearview camera. Second-row passengers enjoy available heated rear seats that slide and recline, and integrated sunshades that keep things cool. Just reading a list like that is relaxing.

HANDS-FREE SMART LIFTGATE How smart is this available feature? Stand within three feet of the vehicle's rear liftgate with the key in your pocket or purse for more than three seconds, and it opens automatically. No kicking your feet to activate it. You can stop the liftgate at various heights, too.

DUAL AUTOMATIC TEMPERATURE CONTROL Some like it hot. Others prefer keeping it cool. Either way, this available feature onboard Santa Fe Sport ends those pesky climate conflicts by allowing both the driver and the front-seat passenger to set and monitor temperatures individually.

TOUCHSCREEN NAVIGATION An available 8-inch touchscreen navigation system responds to your voice commands. The large color screen displays not only your route and next three maneuvers, but the posted speed limits as well. SiriusXM[®] Traffic is also onboard, offering updates on traffic conditions, accidents, construction and road closures.

ADVANCED TECHNOLOGY

SANTA FE SURROUNDS YOU WITH HI-TECH SAFETY.

¹Remote Vehicle Start is only available for push-button start equipped vehicles with an automatic transmission. Not available on all models. After Blue Link unlocks the doors, they will remain unlocked for 30 seconds. This auto relock is designed to enhance vehicle security by relocking the doors if the doors are not opened within 30 seconds. ²Smartphone GPS location must be within 1-mile radius of vehicle's location to display searched location. ³This feature is subject to adequate cellular coverage, signal strength and battery power, and is only available in the 50 United States. ⁴Google and the Google logo are registered trademarks of Google Inc. ⁵All SiriusXM services require a subscription, sold separately by SiriusXM after a 3-month trial subscription. Fees and taxes apply. All fees and programming are subject to change. To cancel, please call 1-866-635-2349. See our Customer Agreement for complete terms at siriusxm.com. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.

BLUE LINK: LIKE HAVING A CONCIERGE, TECHNICIAN AND SECURITY TEAM ALL BUILT INTO YOUR DASHBOARD.

REMOTE ACCESS

With the Blue Link mobile app, your smartphone can start, lock and unlock your Santa Fe remotely.¹ Looking for where you parked it after the concert or game? Use the app's Car Finder feature to navigate your way, or select "Horn & Lights" to flash the headlights and honk the horn when you're nearby.²

FEEL SECURE

Someone borrow your Santa Fe? Set geography boundaries, speed preferences or curfew alerts and receive a text or email notification if these are exceeded. Dining out or enjoying a show? A Valet Alert monitors Santa Fe's moves within a predefined boundary. And with our Stolen Vehicle Recovery technology, its location can be pinpointed, too.³

EXPERT GUIDANCE

Use voice commands to search for new restaurants in town or find addresses without having to type while you drive. Destination Search powered by GoogleTM locates an area's most up-to-date points of interest, day or night.⁴ Download search results directly to your navigation system for quick driving directions.

THE HYUNDAI WAY

AT HYUNDAI, WE BELIEVE IN BUILDING COMMUNITIES, TOO.

SANTA FE SPORT: BUILT IN THE USA

Santa Fe Sport's bold exterior styling is the product of Hyundai's advanced design center in Southern California. It's proudly assembled in the USA by team members whose passions are all focused on crafting vehicles of the highest quality. Always, with an eye on innovation.

HYUNDAI HOPE ON WHEELS

Every time a new Hyundai vehicle is sold in the United States, Hyundai customers join us and our dealers to help kids fight cancer. Hyundai Hope On Wheels – a national nonprofit organization supported by Hyundai Motor America and its more than 820 dealers nationwide – has become one of the leading supporters in the battle against childhood cancer, with over \$87 million raised to date. The money we've raised has been used to fund groundbreaking pediatric cancer research at the Hyundai Cancer Institute in Orange County, California.

WALK LIKE MADD

Hyundai has partnered with Mothers Against Drunk Driving since 2005 to sponsor programs that educate high school students on the dangers of drinking and driving. Over the years, our partnership has expanded – Hyundai is now the presenting partner for "Walk Like MADD," one of MADD's largest 5K walks.
